Introduction

Merthyr Tydfil Sailing Club is affiliated to the Royal Yachting Association and Welsh Yachting Association and places emphasis on friendliness & family participation as well as racing. We do race every weekend but if you don't wish to take part there's plenty of 'spare' water for people simply to potter about on.

Enjoy the beautiful Brecon Beacons National Park on a 100 hectare reservoir! Non-sailing members of your family can enjoy a lovely day out; with a gentle stroll around the reservoir or up onto the hills. Others may enjoy the steam train or just sitting…

We organise training when requested for new sailors and those wishing to improve their skills or to investigate racing.

Opening Times & Dates

Mid March to Boxing Day, Sunday afternoons; Saturdays too from April to early October and Wednesday evenings in the summer.

We also welcome short-term members on a daily or monthly basis.

The club has a small selection of boats available for new members to use and for us to train you with. Alternately you may be able to crew for a current member. Members will always help and advise you when you are ready to get your own boat.

Visiting

Please contact the club before visiting as a barrier on the private reservoir road is locked. From the A465 follow the brown Mountain Railway signs. Pass the entrance to the Mountain Railway. Continue along this road, keeping right at three junctions. 200m from the dam, enter the left gate. The clubhouse is 800m beyond the locked gate.

Cyflwyniad

Mae Clwb Hwylio Merthyr Tudful yn perthyn i'r Gymdeithas Hwylio Frenhinol a Chymdeithas Hwylio Cymru, ac i ni mae cyfeillgarwch a chyfranogiad teuluol lawn mor bwysig â rasio. Rydym yn rasio bob penwythnos, ond os nad ydych am gymryd rhan mae digon o ddwr 'rhydd' ar gyfer y rheini sydd am grwydro'r llyn am awr neu ddwy.

Mwynhewch harddwch Parc Cenedlaethol Bannau Brycheiniog a chronfa ddwr o ryw 100 hectar! Ac os nad yw pob aelod o'r teulu am hwylio, dim problem - gallan nhw fwynhau tro bach o gwmpas y llyn, neu yn y bryniau cyfagos. Na anghofiwch chwaith y trên stem gerllaw, neu gallwch eistedd a mwynhau'r tawelwch ...

Trefnir hyfforddiant yn ôl y gofyn ar gyfer morwyr newydd a'r rhai sydd am wella eu sgiliau, neu sydd am ddysgu mwy am rasio.

Dylech gysylltu â ni cyn ymweld, gan fod y giât ar draws yr heol breifat wastad dan glo. O'r A465 dilynwch yr arwyddion brown i'r Rheilffordd Mynydd. Pasiwch y fynedfa i'r Rheilffordd, a mynd ymlaen ar hyd y ffordd hon, gan gadw i'r dde wrth y dair cyffordd. 200m o'r argae fe welwch giât ar y chwith. Dilynwch yr heol yma – mae'r clwb ryw 800m y tu hwnt i'r giât sydd dan glo.
